Sai Ram! Warmest greetings, love and regards!

We are extremely delighted to inform you that with the blessings of our beloved Bhagawan Sai, your Council is organizing a large gathering of Sai fraternity in Malaysia; NSC 2014 (National Sai Convention). This effort is a direct culmination of the many request for a yearly 'sadhana convention' by devotees at the previous convention. In addition, at last year's Sai Council AGM on the 25 August 2013 and subsequent Council meetings, the delegates of the meeting unanimously supported this event.

Our main guest speaker is **Bro Nimish Pandya**, who is the "All India Vice President, Sri Sathya Seva Organisations of India". He is one of the most influential and motivating leader and speaker in the world Sai community. A very long time devotee of Swami and is amongst the pioneers in Sri Sathya Sai Bal Vikas and Education in Human Values Programme. A frequent speaker in Prashanti Nilayam, he is credited for initiating some of the most significant seva projects in India, especially in Mumbai.

His wife **Sis Kamala Pandya** will be accompanying him as our 2<sup>nd</sup> speaker. Mrs. Kamala Pandya is a two time Gold Medalist from Bombay University in Psychology in Bachelors and also in Jurisprudence in Law. Married by Bhagawan at Parthi and under Bhagawan's directions, she studied Law and is presently an advocate in Mumbai. She has been a Bal Vikas Guru since the tender age of 17 and is currently the Deputy National Co-ordinator for SSS Bal Vikas in India

### **Main objectives of NSC2014 ? The Inner Transformation: The HOW Factor**

- *To underpin our faith in Bhagawan by empowering teachings of Sai to reflect on our inner transformation, which is the very basis of our spiritual journey.*
- *Does our inner transformation manifest in a meaningful way that generates love? Do we generally feel happier and more peaceful? Do we lead a life that is purposeful to ourselves, family and the community? Have we touched the life of others for the better? Have others benefited in our own self-transformation progress? Do we get less angry and respond more positively?*
- *How do we consistently evaluate and review our spiritual transformation progress? Is there an easy way to do this?*
- *Several workshops will be organized for participants to “directly” benefit*
- *Other topics may include:*
  - *Witness evidence of “transformation” in action.*
  - *Listen to some new divine experiences*
  - *To witness the Educare Convocation 2014 - a showcase of the benefits of our Sathya Sai Education*

We would like to invite every member of Sai Family to come, experience, benefit and share Sai Love with the rest of our Sai brothers and sisters. As it happens in many of the previous National Sai Conventions and more recently in 2010 and 2012, the **NSC2014** is going to be an event which will be memorable and more importantly meaningful.

Attached herewith please find the Sai Convention flier which we would like to encourage all Centres and Bhajan units to print and display at their notice board. It is our sincere hope that continuous encouragement and announcements will be made in centres, so that every devotee of Sai will book their dates and participate in this unique convention.

**The cost for adults is exactly the same as NSC2012**, as before, which includes cost of breakfast, lunch, tea break and dinner. RM190 for adult, RM150 for children (9-12 years old) and RM80 for children (4-8yrs / no separate bed). Rest assured that the organizing committee is doing its best to ensure cost is kept to a minimum for devotees. **Closing date will be 30 June 2014**. After 30 June, registration fees will be **10% higher for adults**, to compensate late bookings fees to the hotel.

Looking forward to meet each and everyone of you at the National Sai Convention **2014**, 18-20 July 2014, Glory Beach Resort, Port Dickson, 71000 Port Dickson, Negeri Sembilan.
